OBITUARY

Mrs. Lucy Hull Muffy departed this life at her home in Leslie, Ingham county, Michigan, at the age of 51 years, 1 month, 1 day.

Lucy Hull was born in Leslie, August 13th, 1869, where she spent the early years of her life.

On December 25th, 1888, she was united in marriage to Rufus S. Muffy of Sicks, Gratiot county, Michigan making that her home until early in this year when they moved into her old home in Leslie.

She leaves to mourn their loss, a kind and loving husband, four daughters, Mrs. Roy Sias of Alma, Grace Secrist of Detroit, Geneva and Lucile of Leslie, one son, James Walton Muffy of Leslie; one son-in-law, Roy Sias of Alma; and one granddaughter, Ruth Sias of Alma; also two brothers, Hiram Hull of Leslie and Guy Hull of Jackson; three sisters, Mrs. Carrie Baker of Ithaca, Mrs. L. L. Hutton and Mrs. Wm. Pease of Detroit, besides nieces and nephews and many other relatives with a host of friends who will miss her kind and loving face.

Who is mother? Do we stop to think as the days roll steadily on, And blend themselves into weeks and months and years that are past and gone?

Is there anyone in this great, wide world nearer and dearer than she Who cherishes her child above all on earth?

Let us thank God for mother, one and all, and strive to repay her love By living on earth as she would have us live, that we may meet her in heaven above.

BAY CITY WINS

Local Aggregation Falls Before Eastern High of That City.

Mullin's Alma high school football team suffered another defeat on Friday, Bay City Eastern winning 21 to 0, when Alma failed to take advantage of a big break during the first two minutes of play, that should have given the Orange and Black the first touchdown of the game, and which would probably have changed the entire course of the contest.

Almost immediately after the start of the game Marzoff broke through the defense of the visitors, blocked a punt, and nailed the leather, with a clear field for the remaining few yards for a touchdown. He suffered an attack of "buck" fever, and started the wrong way with the ball, and while seemingly endeavoring to give Bay City a safety was pulled down by the Eastern players, after going over twenty yards with the ball. There is little question but what the failure to take advantage of this break hurt the chances of the local team to a big extent.

Just before the first half closed, the visitors blocked an Alma punt, which rolled over the goal. Light dropped on the ball for Eastern's first center. In the third and fourth quarters the Eastern high team pulled two well executed forward passes that gave them the other two touchdowns.

Ellis and Sartor featured for the local high team and W. Gansser and E. Gansser for Bay City.

TWELVE OUT

Kazoo Training Campers Barred in M. I. A. A. Football.

Following the meeting of the directors of the Michigan Intercollegiate Athletic Association at Albion several days ago, Kalamazoo College athletic authorities have announced that no men at the alleged training camp at Crooked Lake, fifteen miles from Kalamazoo, evidently held in violation of the M. I. A. A. rules, will be allowed to compete in football during the present season.

Early in the fall rumors became current that a dozen Kalamazoo men were holding a training camp at Crooked Lake. The camp opened September 6, this being prior to the opening of the college year, and thus evidently being in violation of Division five, section 2, of the football code, of the M. I. A. A., which follows: "There shall be no preliminary training prior to the beginning of the academic instruction."

At the meeting of the directors held at Albion the latter was gone over very carefully in a prolonged discussion. The directors were very evidently of the opinion that the training camp of these Kalamazoo men was in violation of the rule, and voted to put the matter up to Kalamazoo for settlement. A motion was then made that in cases of violation of this rule that the men violating it, should be withheld from the fall sport for the season in which the violation was made.

The latter part of last week the Kalamazoo authorities wrote the other members of the association to the effect that the men in the Crooked Lake training camp would be withheld from football this year in the M. I. A. A.

Several veterans are included among the twelve. The men who cannot play M. I. A. A. football under the decision are Thomas Vroegindewij, Paul Staake, Isadore Brackett, Fred M. Doyle, Glen Thompson, Jack A. Mearns, Donald Hamill, Reuben C. Melering, Harvard Coleman, Ralph Clay, C. G. Learned and A. O. Jacobs. These men were at the training camp, the names given having been taken directly from the hotel register at the resort.

This does not mean that the Kalamazoo College team will be totally wiped out on the Kalamazoo team that defeated the Michigan Aggies 21 to 2. Castrol, quarterback in that game, will also be missing from the line-up in M. I. A. A. games, but Coach Young still has some valuable timber left, including Capt. "Frog" Thompson, McKay, Michia, VanZandt, Lambke, Markinson, Taylor and others and may be expected to still have a team that will make a royal battle for the M. I. A. A. honors.

The spirit of the Kalamazoo College authorities in the matter is highly commendable, and speaks well for the future of the M. I. A. A. Even though the Orange and Black loses the M. I. A. A. football title, she will have won a big victory, far superior and more creditable to her than could be a Michigan Intercollegiate football championship.

NOTICE TO LOT OWNERS

All parties having flowers on lots in Riverside cemetery, who desire to save them from frost are advised to secure them at once.

Attention is also called to the fact that those who have not paid for the upkeep of their cemetery lots, should do so at once. Payment should be made to either the city clerk or A. W. Brock.

By Order of Committee.

OFFERS OPPORTUNITY

New Peace Time Army Offers Much to Young Men.

When a boy reaches the age of eighteen years the whole world lies before him. The question arises for each youth, what can I do to develop my power; to accomplish the most of which I am capable? This question is vital and of deepest concern to the parents as well as the boy himself.

The peacetime Army is made up largely of young men who enlist in the Army when they are from eighteen to twenty-one years of age. For a young man of character, who is ambitious to improve and develop himself, an enlistment period in the Army at this stage of life offers a splendid opportunity. This opportunity, while most important from a material standpoint, is not to be measured in terms of dollars and cents alone. In the development of character, in the attainment of ideals of service, an enlistment in the United States Army, coming at a time when many parents can no longer afford to send their sons to school, is a turning point for good in the young man's life. In enlisting these boys, the War Department is responsible to their parents and to the country that the period, whether for one or three years, spent in the army is a period of firm but justly administered development and improvement, physically, mentally and morally.

There exists in the Army today real opportunity for vocational education along the various trade lines; and also opportunity for general education, both elementary and advanced. All serious and thoughtful parents earnestly desire that their sons be honorable and useful members of society. While the material advantages of a period of training in the Army are obvious, the country may rest assured that the War Department pays great and constant attention to the more important matter of upbuilding of the character of the young man entrusted to its care. Information may be secured at the Alma Recruiting office in regard to the peacetime army.

CHEAP BRUSHES

State Health Commissioner Warns Against Cheap Shaving Brushes.

For that morning shave—if you would avoid anthrax—it will pay to work in the lather with the fingers rather than use a cheap, horsehair shaving brush, according to a warning Dr. R. M. Olin, state health commissioner, issued to the shaving public today.

"Through the United States Public Health Service has made every possible effort under the existing laws and regulations," stated Dr. Olin, "to prevent the occurrence of anthrax due to infected shaving brushes, yet in spite of its effects the number of anthrax cases is increasing; and cases will continue to occur wherever men buy and use horsehair brushes for shaving."

"Due to the fact that anthrax organism goes into a spore stage, to rest for years at a time, it is almost impossible to kill. Measures which will kill the spores will ruin the brushes."

Congress, at its next session, will be asked to prohibit the use of horsehair in the manufacture of shaving brushes. Infection from the brushes is introduced through the little cuts or abrasions most men contract while shaving. Besides this, the bristles in the horsehair brushes are stiff enough to make lesions themselves. In purchasing new brushes, horse hair brushes are to be avoided.

ONE GREAT BIG EVENT

The Kutztown (Pa.) Patriot, in a recent issue makes the following announcement, that will be of interest to Alma friends of G. Wayne Brown, former foreman of The Record: "G. Wayne Brown, assistant manager of the Kutztown Publishing company, and manager of the Fembs Auditorium theatre, is wearing a broad smile this week and he has every right to do so. Mrs. Brown presented him with a bouncing baby boy, weighing nine pounds; last Thursday evening. There was to be a special edition of the Patriot to announce the fact, but Mr. Brown is too modest and then again we have to conserve every bit of paper. Mrs. Brown and the boy are doing fine. The boy is a full-fledged Republican and will be given the name of Ivan Erie. The Patriot force joins with their many friends in extending their heartiest congratulations to Mr. and Mrs. Brown."

ANNUAL CONVENTION

The annual convention of the Women's Relief Corps of the Seventh District, was held at Elsie Thursday, October 7. Delegates were present from most of the Corps in the district. Mrs. Clara French of Ithaca who was the district delegate to the national convention at Indianapolis, was unable to be present, but her report was read by Mrs. Sarah L. Brown of Ithaca. Twenty members of the Alma Corps attended the convention which was royally entertained by the Elsie Corps.

NOT SELECTED

City Commission Has Not Selected Successor for Clerk.

At the last regular meeting held Tuesday evening, before the resignation of Mrs. Jessie Wolford, which takes effect on Friday, Oct. 15, the commission did not select a successor to the retiring clerk, and as a result it will be necessary for a special meeting between now and the time that the resignation takes effect, to select a successor.

The matter was not brought up at the Tuesday evening meeting, but it is believed that the commission has settled upon some one from the several applicants for the position.

It is expected that the commission will meet an special session some time on Friday to appoint the successor.

MEET ST. LOUIS

The Alma high school football team will meet the St. Louis gridders on Davis field Friday afternoon and are figuring on a victory, although the St. Louis team is reported to be a strong one.

The visiting aggregation is evidently a good one, Mt. Pleasant having been forced this past week, to go the limit for a two touchdown victory over the Alma rivals. The visitors eleven will have several old men in the lineup, together with some new material that is proving up in fine shape.

The locals have not yet put across a victory in three starts, seemingly having a "Jinx" on the gridiron this year. The team is a good one, and has not been badly beaten in any of the games that it has played. In at least two of the three games bad luck broke with Mullin's outfit or it would have been returned a winner. The Alma aggregation has been given some stiff workouts this week and should be in good shape for a hard game Friday.

STORE ROBBED

The general store of Alex Chisholm & Son at Breckenridge was broken into Monday night by parties who came with a truck. They took away a load of the best new fall goods, which had just arrived for the store. The stolen property included sweaters, hats, silks, new ready-to-wear, ladies' and misses' dresses, silk hosiery, etc. Foot prints showed very plainly to be those of a man and a woman. Mr. Chisholm thinks the loss will amount to about fifteen hundred dollars.—(Breck. corr.)
